QUESTIONING OF FACT WITNESSES IN INTERNATIONAL ARBITRATION

ABOUT FIAA

FIAA – Foundation for International Arbitration Advocacy is dedicated to providing advocacy training specifically designed for international arbitration.

Advocacy in the context of international arbitration presents unique challenges. These challenges begin with drafting the request for arbitration and continue through to enforcement of the final award.

Through a series of different learning-by-doing programs and workshops, FIAA offers skills training for international arbitration practitioners in witness questioning, oral argument and written advocacy. FIAA also provides a forum for arbitrators, counsel and academics to analyze, develop and promote effective and ethical dispute resolution skills for international arbitration.

FIAA'S JUNE 2018 ADVOCACY WORKSHOP

FIAA's June 2018 Advocacy Workshop will focus on one key aspect of advocacy in international arbitration – the questioning of fact witnesses.

This learning-by-doing workshop will provide international arbitration practitioners with the fundamentals of examining and cross-examining fact witnesses based on a mock arbitration case.

Participants will engage in exercises and simulations, see demonstrations and hear presentations by experienced international arbitration practitioners and advocacy instructors. Throughout the workshop, participants will receive faculty feedback on live and recorded performances.

On the final day of the workshop, participants will act as counsel in mock hearings with opening statements, examinations-in-chief, cross-examinations and closing arguments before arbitral tribunals comprised of experienced international arbitration practitioners.

The workshop is strictly limited to 28 participants in order to ensure an effective learning environment and that each participant has ample opportunity to develop his or her advocacy skills.

FIAA's June 2018 Advocacy Workshop will open at 12:00 noon on Thursday, 7 June 2018 and will conclude with a celebratory Closing Dinner on the evening of Saturday, 9 June 2018.

Prior to the workshop, registered participants will receive a detailed workshop programme, together with the mock arbitration case file and reference materials.
