QUESTIONING OF EXPERT WITNESSES IN INTERNATIONAL ARBITRATION

ABOUT FIAA

FIAA – Foundation for International Arbitration Advocacy is dedicated to providing advocacy training specifically designed for international arbitration.

Advocacy in the context of international arbitration presents unique challenges. These challenges begin with drafting the request for arbitration and continue through to enforcement of the final award.

Through a series of different learning-by-doing programs and workshops, FIAA offers skills training for international arbitration practitioners in the questioning of expert witnesses, oral argument and written advocacy. FIAA also provides a forum for arbitrators, counsel and academics to analyze, develop and promote effective and ethical dispute resolution skills for international arbitration.

FIAA is led by its Executive Committee chaired by Ank Santens, its Board of Trustees headed by David Roney, and its Advisory Council presided over by Gabrielle Kaufmann-Kohler.

FIAA'S NOVEMBER 2023 ADVOCACY WORKSHOP

FIAA's November 2023 Advocacy Workshop will focus on one key aspect of advocacy in international arbitration – the questioning of expert witnesses.

This learning-by-doing workshop will provide international arbitration practitioners with the fundamentals of examining and cross-examining expert witnesses based on a mock arbitration case.

Participants will engage in exercises and simulations, see demonstrations and hear presentations by experienced international arbitration practitioners and advocacy instructors. Throughout the workshop, participants will receive faculty feedback on live and recorded performances.

On the final day of the workshop, participants will act as counsel in mock hearings with opening statements, examinations-in-chief, cross-examinations, expert witness conferencing and closing arguments before arbitral tribunals comprised of experienced international arbitration practitioners.

FIAA's November 2023 Advocacy Workshop will open at 12:00 noon on Friday, 10 November 2023, and end with a Gala dinner on Sunday evening.

The price for the FIAA Advocacy Workshop and Gala Dinner (10 - 12 November 2023) is USD 695.

Before the workshop, registered participants will receive a detailed workshop programme, together with the mock arbitration case file and reference materials.

Applications for CLE accreditation for New York and by the Solicitors Regulation Authority of England and Wales are pending.

EARLY REGISTRATION IS RECOMMENDED

The workshop is strictly limited to 24 participants in order to ensure an effective learning environment and that each participant has ample opportunity to develop his or her advocacy skills.

SPONSOR

FIAA thanks FTI Consulting for its support.

FTI Consulting is the leading firm of damages and valuation experts worldwide. Since 2013, our senior experts have submitted more than 3,100 expert reports and testified before arbitration tribunals and courts more than 850 times from our offices across leading arbitration centres on all continents. We have been identified as Who's Who Legal's Arbitration Expert Firm of the Year each year since 2015, and were ranked number one in the GAR Expert Witness Power Index for 2020, 2021 and 2023.

We at FTI Consulting are proud to be founding and anchor sponsors of FIAA, and, since its inception, have been closely involved in the running of the expert courses, including providing the great majority of the expert witnesses for FIAA's expert-focused courses.

Our expertise encompasses finance, valuation, economics and industry, but also the application of those disciplines to disputes. We often work closely with FTI experts in energy, mining, construction, real estate, financial services, and other industries to produce authoritative reports as efficiently as possible. We understand the importance of producing reports that are clear, compelling and easy to follow. Likewise, we recognise that the delivery of consistent quality work requires excellence throughout the supporting team, and our recruiting and training practices reflect that need. We frequently see the difference a good team can make to the success of the overall engagement.

In addition to damages and valuation expert witness services, FTI Consulting works with the arbitration legal community across a large variety of disciplines, including construction expertise, statistics, forensic accounting and investigation, computer forensics, document management, remote and hybrid hearing technology support and reputation management.
